

Salesian Elementary and Junior High Spring Benefit 2024

The Goodness of God, through love for each and for all

We are thrilled to unveil our Spring Benefit fundraiser! This year, the bulk of the money raised for the General Fund will be achieved by your commitment to raising money as a family through PledgeStar and attending our in-person event on our beautiful campus.

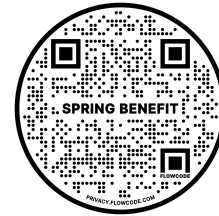

Our goal remains the same: to raise \$65,000. This Spring Benefit is our school's most critical fundraising event of the year. By supporting the benefit, you will help replenish the General Fund generously, infuse the programs students are so fond of, and enhance the resources available to our children moving forward.

Please join us on Saturday, May 4th, 2024, at 5:00 p.m. on our beloved Salesian campus for the event of the year! Our grounds will be filled with delicious food, drinks, live music, friends new and old, laughter, and the Salesian spirit.

We ask that you support this vital benefit in 4 ways:

- PledgeStar outreach
- Sponsor the Spring Benefit at various levels
- Attend in-person event on May 4th
- Shop our online auction filled with Salesian-themed packages

Participate in PledgeStar. Our goal is 100% participation from all Salesian families. This spring, instead of purchasing items and creating class baskets, we ask that each family procure \$1,000 in monetary donations through the PledgeStar fundraising platform. PledgeStar makes it much easier for you to request pledges from your family and friends near and far and makes it fun and easy to ask. You simply enter the names and email addresses of family and friends or text message numbers, and then PledgeStar sends pledge requests from the children. This process is seamless, with secure online donations that go directly into the school's account.

Using your computer's browser:

- Go to <http://pledgestar.com/salesian>
- Click "Not Registered For This Year's Event."
- Enter your name and email address, then click "Submit."
- Follow the instructions on-screen to register Participant(s) and add family and friends
- When you finish, the system emails pledge requests to your family and friends and allows them to make secure credit card donations online. You get notified each time a pledge is made, and you can track your pledge progress online.

Your initial goal has been set by Salesian Elementary and Junior High. If you would like to increase or decrease this goal, enter in your new starting goal.

As your donations get within \$100 of the goal, the goal will automatically increase. This makes it more likely that family and friends will continue to donate, enabling your child to raise even more for Salesian Elementary and Junior High.
