

Salesian Elementary and Junior High Spring Benefit 2024
The Goodness of God, through love for each and for all

SPONSORSHIP

Dear Friends of Salesian School,

Our beloved school, Salesian Elementary and Junior High requests your support in our most critical fundraising effort of the year. We have set our fundraising goal at \$65,000. We know that the spirit of compassionate giving is alive and all around us and that with the support and dedication of our community, a Salesian education remains accessible to each and every student who chooses to attend.

By supporting and sponsoring the Spring Benefit, you help replenish the General Fund, which bridges the gap between tuition and the cost of educating each student. In addition, the money raised bolsters tuition assistance, generously infuses programs we are so fond of, such as Life Lab, Art Enrichment, Physical Education, and the School Library, and enhances the technological resources available to our students.

These crucial fundraising efforts are only successful because of our selfless supporters. We would like to humbly ask for your partnership to make the Salesian educational experience possible.

Attached to this letter is a procurement packet that has all the necessary paperwork. As you'll see, there are many levels of sponsorship opportunities. However, no sponsorship amount is too small! Participation in this event is tax-deductible and *a wonderful marketing opportunity*. Reaching our \$65,000 goal again will only be possible with community support!

Your support will help us ensure that the Salesian legacy of Empowering the Young with Knowledge, Faith, and Love will continue for generations to come! We look forward to hearing from you.
